About Us

SIAM JWD Logistics

Established in 2017 with a registered capital of 100 Million THB, SIAM JWD Logistics Co., Ltd. is a specialized automotive logistics company headquartered in Bangkok, Thailand.

We are a full-service automotive logistics provider, delivering end-to-end solutions from port customs clearance and pre-delivery inspection to nationwide car carrier distribution, spare parts warehousing, freight forwarding, and CLMV cross-border logistics.

Our primary customer is Rever Automotive (BYD), and we serve an expanding portfolio of leading automotive, industrial, and commercial brands across Thailand and Southeast Asia.
